

This official Internship Approval Letter is issued for the current semester of the academic year to confirm the enrollment and registration status of the student. The document clearly states the student name, roll number, student id, department, and university under which the academic program is conducted. It outlines the approved internship details, associated course code, and the number of credits assigned as part of the curriculum. The application for internship approval was formally submitted, reviewed by the faculty, and approved by the dean after verification. This letter serves as an official record issued by the registrar, bearing an authorized signature and institutional seal, confirming compliance with university regulations and academic requirements.
